

## *Care Pregnancy Center of the Eastern Panhandle: November 2009*

### **Client Activity-**

Our client activity is as follows -47 client visits with 3 positive tests and 1 negative test, 2 for referrals, and 41 visits were for material assistance. Within those 41 visits for material assistance we've served 89 men, women and children.

### **A Portrait Day-**

Due to illness the portrait day has been cancelled and will be rescheduled. No new date has been chosen as of this newsletter.

### **Hannah's Closet Needs-**

We are very low on all our consumables like baby lotion-shampoo-wash-powder, and are in need of eating utensils, toddler sippy cups, baby bottles and bottle brushes, infant bath towels, pacifiers, size 3 & 4 diapers, and wipes.

We have a specific furniture need for a playpen.

### **Passion to Serve-**

A report was released in October in Washington D.C. that gives an overall statistical look at the work a Pregnancy Center does within the community. Some key points in this report are how centers improve women, adolescent, maternal, and children's health and well being. Local center's save tax dollars through the support from private and charitable sources and become deeply rooted in the community. Please pray that this report will get into the hands of those that can and will make a positive impact for all local pregnancy centers. Please visit [www.apassiontoserve.com](http://www.apassiontoserve.com) to review this report.

I hope that you all have a blessed Thanksgiving holiday and that everyone in your home stays healthy.
