

# Care Pregnancy Center of the Eastern Panhandle: July 2009

## Client Activity-

Our client activity is as follows – 48 client visits with 3 tests (1 positive & 2 negative), 2 for referrals and counseling, and 43 visits for material assistance. Within those 43 visits for material assistance we served 92 men, women, and children.

As a reminder we've decided to break down the number of material assistance visits to show the actual number of clients we serve in that capacity. One visit doesn't always mean 1 client being served; most of our families have multiple children.

## Baby Bottle Fundraiser-

Over \$9,000 has been raised so far for our annual Baby Bottle Fundraiser this year. How awesome!

## Hannah's Closet Needs-

Hannah's Closet has some specific needs; clients are on a waiting list for these items; highchair, crib x2, dresser, changing table, adult rocking chair/glider. We also need summer sleepers, baby lotion-shampoo-wash, bottles, size 4 diapers, wipes and formula.

We are also in high need of items for our 'Mommy Bags'; shampoo, lotion, combs, toothbrush/paste, deodorant, razors, and feminine products. What a great way to utilize all those travel size bottles you bring home from trips away from home!
